

**San Diego Winds
Mini-Maestro Program**

Director Information and Application

What is the Mini-Maestro Program?

The San Diego Winds innovative Mini-Maestros program provides mentorship for young people already playing music at their school. Students throughout the county will benefit from the world- class musicians of the San Diego Winds visiting them at their schools and providing them with musical guidance.

How does the program operate?

Directors apply for the program and if eligible, the San Diego Winds sends musicians to school band programs in San Diego County to provide master classes, to lead sectionals and to mentor students.

Who is eligible for Mini-Maestros?

Any school band program in San Diego County.

How do I apply for the Mini-Maestros program?

Simply click the link below, complete the survey and San Diego Winds will contact you within 30 days to inform you of your eligibility. The survey asks for very basic information and should take no more than 5 minutes to complete.
